All prices quoted are per bottle and per case and are inclusive of Vat @ 23%.  
\* denotes case of 6 bottles.

## Coravin Wine System

Unlike after removing a cork from a bottle of wine, the cork stays intact and your wine is extracted via the needle of the Coravin.

This way, the wine is preserved to enjoy weeks, months, even years after the first wine is extracted. The Coravin Wine System works on any bottle of wine with a natural cork. Coravin pressurises the wine with 99.9% Argon gas, thereby protecting it from oxidation.

€ 300.00
